

# BLACKEXCEL EQUINE SOYBEAN OIL

**AVAILABILITY:**  
CONVENTIONAL, ORGANIC

Specially designed for horses, BLACEXCEL Equine Soybean Oil is cold-pressed and extra-decanted, which means it has all of the amino acids essential to animal nutrition and less gum. A sulphuric feed additive accelerates the assimilation of nutritious elements. Top dressing with BLACEXCEL Oil supports horses' quick recovery and increased ability to sustain focus so that you can work together to achieve your goals!
